

- 使用Altera平台的FPGA（对应着quartus）

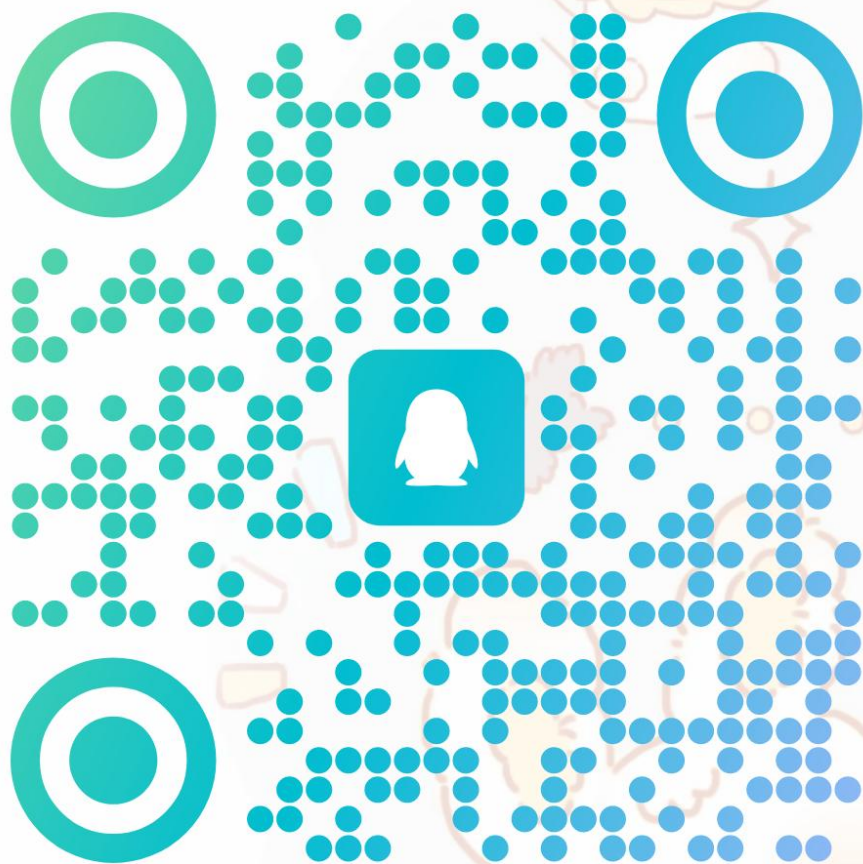

The screenshot shows a product page for the 'Blue Bridge Cup FPGA Competition Training Platform A' (蓝桥杯 FPGA竞赛实训平台A). The product is an Altera Cyclone IV FPGA development board. The page includes a sidebar with navigation links, a main product image, and a right-hand panel with purchase options and a shopping cart icon. The price is listed as ¥289, and it is noted that 10 units have been sold. Shipping information indicates delivery from Beijing to Chengdu Longquanyuan. The page also features a '7-day no-reason return' guarantee and a 'FPGA Competition Training Platform CT137A' category. The bottom of the page has a '立即购买' (Buy Now) button and a '加入购物车' (Add to Cart) button. There are also some user-generated comments at the bottom, such as '写诗 爱是种洒在他肩上的光' and '我看见他们都站在殿堂'.

- 软件基础的使用步骤前几天已经放出来了，可以去看看
- 一两节课说明一下verilog的基础入门（针对蓝桥杯比赛，不过多深入）
- key, seg, led大模板会放在交流群，其他的外设完整大模板会放在svip群
